

Práctica 4 - Audacity

Proyectos con Audacity

Proyecto 5. Edición de audio

5.1. Ud. recibirá una pista de audio (nixon1.wav) con el siguiente discurso (presidente R. Nixon, caso Watergate):

Let me just say this. I've made my mistakes, but in all of my years of public life, I have never profited from public service.

I've earned every cent.

And in all of my years of public life, I have never obstructed justice.

And I think too that I can say that in my years of public life that I welcome this kind of examination because people have got to know whether or not their president's a crook.

Well, I'm not a crook.

5.2. Edite el archivo, eliminando y moviendo algunas palabras, hasta que el discurso diga lo siguiente:

I have profited from public service, and welcome every cent.

I have obstructed justice.

People have got to know their president's a crook.

I'm a crook.

5.3. Combine la voz resultante de la actividad anterior con la música de fondo musica.mp3. Exporte el resultado como archivo WAV o MP3.
